## Camogie Insurance 2010- Procedure for Injury treatment and claims

If the player receives an injury during an official match the player must report their injury to the manager who should in turn make sure that it is recorded in the referees report. If the injury occurred at training then the club secretary Maureen Mc Conville should be informed so that a letter of confirmation of injury can be provided. It is the responsibility of the player to notify Coyle Hamilton Willis within 30 days of their injury by completing and returning a claims form. Forms can be downloaded from [www.camogie.ie](http://www.camogie.ie) by clicking on Administration and then Insurance.

If a player wishes to avail of physiotherapy through the club they should contact Eleanor Mc Conville, who will in turn liaise with the football chairman Tony Mc Collum in order to get a physio appointment.

Remember to take your claims form to your appointment
